Dear Applicant:

RE: Application No. 57-7800 (a24463)
PROOF DUE DATE: AUGUST 31, 2012

To complete an appropriation or a change of water right, proof that the development work is completed and the water is being beneficially used must be prepared by a land-surveyor or an engineer licensed in Utah. Your due date for submitting a properly prepared proof is on or before **AUGUST 31, 2012.**

However, if the water uses do not exceed one residence, irrigation of 0.25 acre, and watering 10 livestock, you may be eligible to submit an Affidavit of Beneficial Use instead of a proof prepared by a licensed proof professional. The following is required to submit an affidavit: a copy of the Certificate of Occupancy for the residence; a copy of the plat map from your County Recorder's office; a map showing the water source and the uses of water; and a completed affidavit form. If you submit an affidavit, all required documents must be filed by the proof-due date shown above.

There is no fee for filing a proof or an affidavit. However, if either cannot be submitted by the proof-due date, an extension of time may be requested by completing the enclosed form and submitting it by the proof-due date. The fee for filing an extension of time request is \$50.00.

If the applicant is a public water supplier or wholesale electrical cooperative, extensions beyond 50 years can only be approved if the water is needed for the future needs of the public. Those extension requests must be accompanied by an adequate 40-year plan projecting the future needs of the applicant, in accordance with criteria specified in Section 73-1-4(2)(f), Utah Code Annotated 1953 (as amended).

Failure to submit a completed proof, affidavit, or an extension request on or before the PROOF DUE DATE will cause the application to LAPSE.

Your contact with this office, should you need it, is with our Regional Office in Salt Lake City. The telephone number is (801)538-7240.

Yours truly,

Kent L. Jones, P.E.
State Engineer
